

Curriculum Vitae: Assoc. Prof. Dr. Walter Jäger

Personal

Date of Birth: Feb. 10, 1956 in Vienna

Place of Birth: Vienna

Nationality: Austria

Marital Status: married with Mag. pharm. Adelheid Jäger

Children: Ines (1994), Stefan (1996), Johanna (1999)

Education and Professional Career

1979 – 1984	Study of Pharmacy, University of Vienna (MPharm.)
Apr. 1984	Graduation (Mag.pharm), Diploma Thesis at the Institute of Pharmaceutical Chemistry: "Untersuchung der Reaktivität zweier Protoanemonin-Analoga mit verschiedenen Aminosäuren"
1984 – 1989	Doctoral study, Institute of Pharmaceutical Chemistry, University of Vienna, Austria, entitled "Biopharmazeutische Studien an Liposomen eine neue Arzneiform für L-Carnitin"
Apr. 1989	Graduation (Dr. rer. nat.) Ph.D., University of Vienna
Sept. 1985	University Assistant, Institute of Pharmaceutical Chemistry, University of Vienna, Austria
11.1. 1999	Habilitation for Pharmaceutical Chemistry with the submitted work: "In vitro drug metabolism studies in liver and tumor cells: impact on pharmaceutical research"
1999 - present	Associate Professor of Pharmaceutical Chemistry, Institute of Pharmaceutical Chemistry, University of Vienna, Austria
2005-2008	Vice head of the Department of Clinical Pharmacy and Diagnostics
since 2009:	Head of the Department of Clinical Pharmacy and Diagnostics

Postdoctoral Training:

Sept. 1992 - Sept. 1993 and Jan. 1995 - Feb. 1995 at the Department of Biopharmaceutics (Univ. Prof. L.Z. Benet, University of California San Francisco, USA) by an Erwin-Schrödinger Research Grant (Austrian Science Foundation, FWF)
Titel: "The pharmacokinetics and metabolic aspects of immunosuppressive agents"

Fields of Research: Clinical Pharmacy (drug metabolism, drug transport proteins, pharmacokinetics)

Publications:

152 original scientific papers
2 review articles
2 book chapters
3 patents
81 conference contributions
43 lectures
